Website: A new IUB SAA-SC website was created, thanks to the initiative and work of Webmaster, Jacob Shelby. The new site is: <http://saarchiv.soic.indiana.edu/>. The new website was created because the former website was extremely outdated and difficult to update.

Conference: Fifty-three people attended this years' conference. Ten people/groups presented at the conference.

Prepared and Submitted April by outgoing SAA-SC President, Allison Haack.
